

Presents

Infant Summer Registration

From the Grasslands to the Ice Worlds to the deepest Ocean, join Park View Montessori as we adventure around our globe for an overview of different species, habitats and cultures here on Earth. We will explore the Mountains and Jungles and all the breathtaking sights and sounds along with all the culinary experiences the regions have to offer.

Be sure to only register your camper(s) for the weeks that they will attend. If you are registered for a week, we will charge you for that week, whether your child attends or not. In order to properly staff for the summer, we need the accurate number of campers attending. Therefore, you will not be able to make changes at a later date, so please be sure to register for all weeks that you need. Please review the following information and return the form below to enroll your child in our Summer Program. We accept ages 6 weeks – 2 years. \$50.00 registration fee for non-Park View students.

EVERY STUDENT MUST RETURN A FORM
Forms must be received by Monday May 1st, 2019

Child's Name \_\_\_\_\_ Age \_\_\_\_ DOB \_\_\_\_\_

- My child will not attend the summer program.
My child will attend the following program: (only circle one and mthly or wkly)
